FEES INCREASE FOR 2010

Over the past two years the price of fuel has increased markedly. It is always our endeavour to keep prices to a minimum while still providing the best quality we can. I hope you will understand that we have to increase some of our prices. Therefore the cost of the Bus for Day Trips will increase by \$1.00, it will now cost \$6.00 for transport within our pickup area and \$9.00 for transport outside our pickup zone.
