A Word from Brenda:

I hope you are all looking forward to our Winter Outings and the chance to escape the house and your chair in front of the fireplace.

Lots of different outings have been planned for the next three months and with an eye to the colder weather we have kept everything indoors.

As well as the outings you attend there are many other activities running at the Evergreen Centre.

To mention a couple:

Thursday 24th June at 1.15pm to 2.30pm. Talk by the President of the Victoria Doll Association. She will be bringing in a number of dolls and talking about their history.

Friday 4th June at 1.15pm to 2.30pm Alan Patching has spent a lifetime gliding. He is coming to talk about his passion for flying.

Friday August 6th at 1.15pm to 2.30pm The President of the Dingo Breeders Association (Victoria) will bring in some puppies and setting the story straight about Dingos.

All talks are followed by a yummy afternoon tea, the cost is \$4.00. Transport can be provided. Please ring the Office to make a booking.

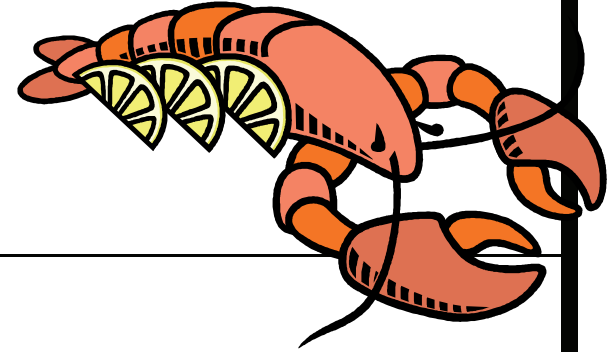

Cheers!
