

Fabric & Fashion

45 Talbot Ave
Balwyn 3103

July – November PROGRAM 2010

Hi Everyone,
Welcome to the second half of the year! Our first meeting has been changed to a bus trip to the Craft & Quilt Fair. There will be plenty to see and do so book in early as places are limited. August we'll have a slightly different theme. If you've ever wondered what an iPad is, can't see why facebook is so popular or thought twitter was what birds do, then come along. Our local library will be demonstrating these and other technological innovations for us. Look out for the mobile phone course we will be running in the Centre in October.

In September we will have our own Merrilyn Sheppard to tell us about her days teaching fashion and her current projects.

Don't forget to let me know by the day before if you'll be attending, especially if you need transport. I look forward to catching up with you all soon.

Regards,
Gillian

(NB. Note changes from original program)
